Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Welcome Home follows hosts Rob and Treger Strasberg as they run a non-profit dedicated to helping deserving families in transition by turning their house into a home with their motto, "design with dignity" - and changing lives along the way. In each episode, we meet a family emerging from difficult circumstances as they finally move into a new living space to call their own. To help the family with their fresh start, Treger, Rob, and a dedicated team of designers and volunteers will transform the family's bare house into a warm home by using goods and services donated by people in the community. The new home will provide much-needed stability to meet the family's specific needs, stimulate their interests, and promote their goals. Welcome Home is co-produced in partnership with BYUtv and will teach viewers the importance of giving back to their communities, to never give up when faced with a tough situation, and to have gratitude for the basic living necessities that we often take for granted.

Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Wonderama's general educational mission is to create a program environment that promotes the growth and development of teams. Wonderama 's goal is to construct a learning environment that uses broadcast television and supportive online media to engage teens and motivate their awareness through examples of community involvement, artistic performance and targeted educational segments. The key issues motivate and helps teens build confidence and develop focus. Successful engagement and motivation around current topics equals knowledge, and offers an enhanced opportunity for teen to enrich their understanding of key subjects and disciplines. Educational materials will be framed within specific program segments. These weekly segments will be available to the audience both in show and online. Topics will utilize themes from popular culture and common experience, in order to encourage learning from the simple to the complex and to reveal educational and teaching moments from everyday life. Meaningful content and active relationships provide the basis for learning. Wonderama will focus on subject categories in support of the overarching construct experience: STEM (Science, Technology, Engineering, Mathematics), Culinary Skills, Financial Literacy, Community Involvement and the Performing Arts.

Program Title	Welcome Home (WBKO-CW 13.3)
Origination	Network
Days/Times Program Regularly Scheduled	Saturdays/9:30-10AM CT
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Welcome Home follows hosts Rob and Treger Strasberg as they run a non-profit dedicated to helping deserving families in transition by turning their house into a home with their motto, "design with dignity" - and changing lives along the way. In each episode, we meet a family emerging from difficult circumstances as they finally move into a new living space to call their own. To help the family with their fresh start, Treger, Rob, and a dedicated team of designers and volunteers will transform the family's bare house into a warm home by using goods and services donated by people in the community. The new home will provide much-needed stability to meet the family's specific needs, stimulate their interests, and promote their goals. Welcome Home is co-produced in partnership with BYUtv and will teach viewers the importance of giving back to their communities, to never give up when faced with a tough situation, and to have gratitude for the basic living necessities that we often take for granted.
